1B – Actions to be taken before a flood: Map showing direction of flooding

Include a map in the flood plan showing the flood risk area and direction of flooding.

VISIT environment-agency.gov.uk for water map

2A – Actions to be taken during a flood: local volunteers / flood wardens **TO BE COMPLETED**

List local volunteers/flood wardens that could be contacted in an incident. They may be required to lift heavy sandbags so should be reasonably active or fit. Consider using other volunteers such as communicators, administrators or minders of vulnerable people during an incident. These volunteers could be registered on the Environment Agency's Floodline Warnings Direct service so they receive the flood warnings. **Volunteers must not put their own life at risk.**
